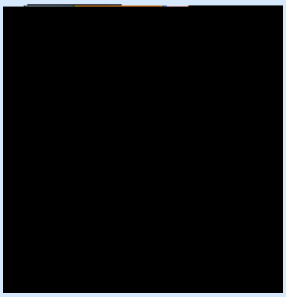
Sacramento New Technology High School

2022-2023 School Accountability Report Card
(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview



By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects Californiaâs new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of Californiaâs diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers. To that end, the district has crafted a high-quality professional learning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Mathematics, Science, Physical Education, and Visual and Performing Arts. The learning opportunities afforded through this program deeply align with the needs of our individual schools,

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

2022-23 Career Technical Education Programs

The College and Career Readiness Department provides high quality support to all schools in Sacramento City Unified particularly, Linked Learning pathways, Career Technical Education pathways and California Partnership Academies approach preparing students for career and post-secondary experiences. The department works closely with industry and community partners as well as post-secondary institutions to support our schools in preparing our students to be successful after graduation. These pathways are career-themed approaches to learning that prepares students for their future: academic preparation for college and professional skills for success in the workplace. Students study through a profession that interests them, learning challenging academics and professional skills in the classroom while getting real world experience through internships. All pathways and academies offer students the opportunity to develop into adults who are prepared for college, career, and life after high school. The CTE programs offered at each of the SCUSD high schools are diverse and unique to the specific culture and needs of each school. The Career Technical Education (CTE) pathways represent the twelve (12) Industry Sectors identified by the state. Our CTE programs support the CTE District Wide Advisory Committee comprised of a variety of people including, but not limited to business partners, community leaders, parents, students, educators and other interested parties. The committee discusses awareness, recruitment, placement, and retention of middle, high school students in CTE classes; local labor market, and school/business partnerships. Career technical education updates, evaluations and funding will also be reviewed. The committee is also responsible for approving the SCUSD Career Technical Education Plan.

Sacramento New Technology High School currently has a Computer Science CTE Pathways and is the only Computer Science Pathway in the Sacramento Unified School District.

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	135
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	58.1
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

2022-

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	$15,196	$2,072	$13,125	$70,552
District	N/A	N/A	$6,048	$87,329
Percent Difference - School Site and District	N/A	N/A	73.8	-16.7
State	N/A	N/A	$7,607	$87,885
Percent Difference - School Site and State	N/A	N/A	66.2	-19.0

Fiscal Year 2022-23 Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities, and English learners. Programs and services such as enrichment programs, family engagement activities, supplemental instructional materials, and academic, social, and emotional support programs help our students achieve grade-level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness.

Sacramento New Technology High School and district supplemental programs and services include:

- Supplemental instructional materials and books in mathematics, reading/language arts, and ELD
- Enrichment programs
- Parent Education/Family Nights
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Special Education
- Professional Development
- Support Staff, such as nurses, instructional assistants, parent advisors, and counselors
- Dual Enrollment in College Courses
- School Choice

Please check with your child's principal to receive information regarding the services that are specific to your child's school.
