What is the amount of the Employee Basic Life Insurance benefit?

If you die while insured under the Policy, we will pay an Employee Basic Life Insurance benefit equal to your Employee Basic Life Insurance amount as shown in the Benefit Highlights.

Your amount of Employee Basic Life Insurance is subject to any terminations according to the provisions of the Policy.

If you had previously exercised the Policy's Conversion Privilege or Portability provision, your amount of Employee Basic Life Insurance will be reduced by the amount of any insurance under any coverage issued to you as a result of the exercise of those provisions unless you cancel such coverage.

WAIVER OF PREMIUM BENEFIT

What is the Waiver of Premium Benefit?

If you become Totally Disabled while insured, the Waiver of Premium Benefit may continue your Employee Basic Life Insurance while you remain Totally Disabled without any further payment of premiums by you or your Employer.

When are you eligible for the Waiver of Premium Benefit?

You are eligible for the Waiver of Premium Benefit if we receive notice of claim and Proof of claim that you became Totally Disabled:

- while insured; and
- before your 70th birthday; and
- before your Retirement; and
- we approve and continue to approve your claim.

What is the amount of Life Insurance benefit that is continued under the Waiver of Premium Benefit?

We will continue the amount of your Employee Basic Life Insurance in force on the last day you were Actively at Work. This amount remains subject to the Policy's terms and conditions.

If you are eligible for the Waiver of Premium Benefit and you have received an Accelerated Death Benefit from us, the amount of insurance on which premiums are waived will be reduced by the amount of any Accelerated Death Benefit paid by us.

If you have converted your Employee Basic Life Insurance to an individual life insurance policy, the continued insurance under the Waiver of Premium Benefit will be reduced by that converted amount unless you exchange the individual life insurance policy for a full refund of premiums paid.

Are premium payments required prior to approval of the Waiver of Premium Benefit?

Yes, premium payments are required until the earlier of:

- the date we make a decision on your Waiver of Premium Benefit claim; or
- 12 months from the date you were last Actively at Work.

When are premiums waived?

If we approve your Waiver of Premium Benefit claim, we will notify you of the date the waiver of premium will begin.

Will premium be refunded?

A refund of premium will be made for any premium paid from the date you were last Actively at Work until the date we approve the Waiver of Premium Benefit claim not to exceed 12 months of premium.

6. COVERED EMPLOYEE BASIC LIFE INSURANCE BENEFITS

What happens if you die before you are approved for the Waiver of Premium Benefit?

If you die before you are approved for the Waiver of Premium Benefit and within 12 months from the date you ceased to be Actively at Work, a death benefit may be payable if, within 3 months of your death, we receive Proof that:

- your Total Disability lasted without interruption from the date you ceased to be Actively at Work until your death; and
- you would have qualified for this Waiver of Premium Benefit except that we had not approved your initial Proof of Total Disability.

When does the Waiver of Premium Benefit end?

Your Waiver of Premium Benefit ceases on the earliest of:

- the date you are no longer Totally Disabled;
- the date you fail to provide Proof that you continue to be Totally Disabled;
- the date you refuse to submit to an examination by a Physician of our choice;

Your right to benefits pursuant to this Waiver of Premium Benefit is determined initially on the date Total Disability begins. Your ongoing right to receive the Waiver of Premium Benefit depends upon our continued approval of your claim. These rights are subject to the terms of the Policy and will not be affected by subsequent amendment or termination of this Waiver of Premium Benefit.

If your Waiver of Premium Benefit ends and you do not return to being Actively at Work, you may convert your Employee Basic Life Insurance under the Conversion Privilege.

What happens if you do not qualify for the Waiver of Premium Benefit?

You may continue your Employee Basic Life Insurance with premium payment, subject to any applicable Insurance Continuation or Portability provisions or you may convert your Employee Basic Life Insurance under the Conversion Privilege.

ACCELERATED DEATH BENEFIT

What is the Accelerated Death Benefit?

If you experience a Qualifying Event, you may apply for an Accelerated Death Benefit. The Accelerated Death Benefit is an advance payment made on your Employee Basic Life Insurance coverage while you are still living. Any Accelerated Death Benefit payment made reduces your Employee Basic Life Insurance coverage by the amount of the Accelerated Death Benefit payment.

When are you eligible for an Accelerated Death Benefit?

You are eligible for an Accelerated Death Benefit if:

- you are Actively at Work under the Policy; and
- you have been insured under the Policy for Employee Basic Life Insurance for at least 60 days. (This includes any period of time you were insured under the prior insurer's group life policy); and
- you have experienced a Qualifying Event; and
- you are insured for at least \$20,000 of Employee Basic Life Insurance.

How do you receive an Accelerated Death Benefit?

You need to submit a written request and Proof that you have experienced a Qualifying Event while your insurance is still in force. Your request must be approved by us. If you have assigned your Employee Basic Life Insurance, named an irrevocable Beneficiary or have a former Spouse named as Beneficiary as part of a divorce decree, you must have a Signed agreement from them that permits the Accelerated Death Benefit to be paid.

The Accelerated Death Benefit is paid in a single lump sum amount to you only one time under the Policy.

6. COVERED EMPLOYEE BASIC LIFE INSURANCE BENEFITS

Are there any charges if the Accelerated Death Benefit is requested?

No.

What is the amount of the Accelerated Death Benefit?

You can request up to 75% of the amount of your Employee Basic Life Insurance currently in force. The maximum amount you can request is \$500,000. The minimum amount you may request is \$10,000.

If you have received an Accelerated Death Benefit under the prior insurer's group life policy, you can request up to 75% of your Employee Basic Life Insurance currently in force reduced by the amount of the Accelerated Death Benefit you received under the prior policy.

What happens to the amount of Employee Basic Life Insurance if you receive an Accelerated Death Benefit?

If you have received an Accelerated Death Benefit from us or the prior insurer's group life policy, your Employee Basic Life Insurance benefit under the Policy will be reduced by an amount equal to the Accelerated Death Benefit paid by us, and an amount equal to the Accelerated Death Benefit paid by the prior insurer's group life policy. The reduced amount remains subject to the Policy's terms and conditions.

CONVERSION PRIVILEGE

What is the Conversion Privilege?

If your Employee Basic Life Insurance ceases or reduces, you may be able to convert the amount that ceased or reduced to an individual life insurance policy. You need to apply for the Conversion Privilege within 31 days of the date the coverage ceased or reduced (the "31 Day Conversion Period"), or during any extension of the period permitted by the Policy.

When can Employee Basic Life Insurance coverage be converted and how much can be converted?

If your Employee Basic Life Insurance amount ceases or is reduced due to:

- termination of your employment;
- termination of your membership in an Eligible Class;
- your changing to a different Eligible Class;
- your Retirement;
- termination of your Waiver of Premium Benefit; or
- termination of coverage under the Insurance Continuation provision.

then you may apply for an individual life insurance policy up to the amount of life insurance that ceased or reduced.

If you have been continuously insured under the Policy for at least five years, and all or part of your life insurance ceases or is reduced due to:

- a revision to the Policy to reduce the amount of Employee Basic Life Insurance in your Eligible Class;
- a revision to the Policy to terminate your Eligible Class; or
- termination of the Employee Basic Life Insurance benefit provision.

then you may apply for an individual life insurance policy. The maximum amount of the policy will be the lesser of:

- \$10,000; or
- the amount that ceased or reduced, reduced by any amount of life insurance that you become eligible for under any group policy within 31 days after your insurance ceased or reduced.

You will be issued an individual life insurance policy without providing Evidence of Insurability.

How can you exercise the Conversion Privilege?

To exercise the Conversion Privilege, you must apply for it in writing and pay the first premium within 31 days following the date your insurance ceases or reduces. This is your 31 Day Conversion Period.

May the time to exercise the Conversion Privilege be extended beyond the 31 Day Conversion Period?

If you are not provided notice by your Employer of your right to exercise the Conversion Privilege at least 15 days prior to the end of the 31 Day Conversion Period, you will have an additional 25 days to exercise it.

6. COVERED EMPLOYEE BASIC LIFE INSURANCE BENEFITS

Otherwise, you must exercise the Conversion Privilege within the 31 Day Conversion Period.

What type of individual life insurance policy is available?

The individual life insurance policy may be any plan of life insurance offered by us at the attained age and the amount requested up to the amount that ceased or reduced. The individual life insurance policy will not include any additional benefits such as a waiver of premium benefit or an accelerated death benefit.

The premium for the individual life insurance policy will be determined by the policy type and amount of the individual life insurance policy and the rate we charge for the standard class of risk and age to which you belong on the effective date of the individual life insurance policy.

When does the individual life insurance policy start?

If your application for the individual life insurance policy is received and the first premium is paid when due, the effective date of the individual life insurance policy will be the day after the 31 Day Conversion Period.

What happens if you die within 31 days of the date your Employee Basic Life Insurance ceases or reduces?

If you die within 31 days of the date your Employee Basic Life Insurance ceases or reduces, and we receive notice of claim and Proof of claim, a death benefit will be paid to your Beneficiary whether or not you had applied for an individual life insurance policy or had paid the first premium. The death benefit will be the amount of Employee Basic Life Insurance that you would have been eligible to convert. If you die more than 31 days after

Any period of time your Spouse was insured for the same amount of Spouse Basic Life Insurance under your Employer's prior group life policy will count towards your Spouse's completion of the 24 months.

If your Spouse's death occurs as a result of suicide within 24 months after your Spouse's Basic Life Insurance starts, we will refund all premiums paid for any amount of Spouse Basic Life Insurance excluded under this suicide exclusion.

9. CLAIM PROVISIONS

When will a decision on your claim be made?

We will send you a written notice of our decision on your claim within a reasonable time after we receive the claim but not later than 45 days after receipt of the claim. If we cannot make a decision within 45 days after receiving your claim, we will request a 30 day extension. 11. PORTABILITY

What is portable insurance and when are you eligible for it?

Portable insurance is an optional benefit that you may elect to continue your insurance for each Insured without Evidence of Insurability if your insurance ends because you terminate employment; and you meet the following requirements:

- the Policy is still in force; and
- you are under age 70 at the time employment terminates; and
- you have not retired; and
- the hours you work for your Employer have not been reduced; and
- your insurance is not being continued under any Insurance Continuation provision; and
- you have not suffered an Injury or Sickness that results in a life expectancy of less than 12 months; and
- your insurance is not being continued under the Waiver of Premium Benefit; and
- you have not exercised your portable insurance right under a similar certificate issued by us; and
- you reside in the United States or Canada on the date your insurance ends.

You may not elect portable insurance for your Spouse if you have not elected portable insurance for yourself.

If you convert your coverage under any Conversion Privilege of the Policy, you will not be eligible to apply for portable insurance for that same coverage.

When must you apply for portable insurance?

You must complete an application for portable insurance and send it to us with payment of the first premium within 31 days of the date your employment terminates. The application for portable insurance is available from your Employer.

What is the amount of portable insurance you can apply for?

You may apply for portable insurance in an amount up to 100% of each Insured's amount of insurance in force under the Policy on the date your employment terminates to a maximum of \$500,000 for each Insured. Amounts in excess of the maximum may be converted to an individual life insurance policy.

If you are insured for Basic Life Insurance, Voluntary Life Insurance, Basic Accidental Death and Dismemberment Insurance and/or Voluntary Accidental Death and Dismemberment Insurance under a Policy issued by us, the total combined amount of portable insurance you may apply for cannot exceed \$1,000,000 per Insured.

When does your portable insurance start?

After employment terminates, portable insurance will start on the later of the following:

- the date we approve the application for portable insurance; or
- the date we receive the first premium payment for portable insurance.

Your portable insurance will be provided under an insurance policy we make available for this purpose. Your portable insurance may not be identical to your current insurance under the Policy. The premium for the portable insurance will be determined by the amount of portable insurance and the rate charged for the standard class of risk and age to which each Insured belongs on the effective date of the portable insurance policy.

If your application for portable insurance is declined, you will be given a 31-day period to apply for an individual life insurance policy under the Conversion Privilege.
